To the clerk of US District Court for the district of NH
Ref Civil action No 1-10-CV-181-PB 033020014

This lawsuit filed against me by one David Kenney of 111
Eastern Valley rd of Eastern NH not as falsely reported as Franconia
NH 03580 This suit brings up a few things that I object to.

1. And I would like to get the court to give advice guidance on
I do not have a attorney at this time to advise me on this matter. I
have been unable to obtain one to date not from a lack of trying and
I am still trying to get one.
2. I do not know my rights under the fed law or other laws. I do not
know what I am reading or how to respond to it.
3. The supporting documents that this lawsuit is based on I have never
seen or reviewed.
4. I would ask that I be supplied with any and all documents that
are used in this suit.
5. I have reviewed what I have received so far and find them to be overla-
y and very invasive. I object to any interrogatories that ask in any
way medical info.
I would like to give the court a example of what Mr David Kenney
and his adviser blogger Mr Chris King aka Disbored atty Mr Chris King aka
reporter Chris King as he has told the state courts himself he is ref at
40 in the Interrogatories. Mr Chris King in his litigation against the
NH attorney and the town of Franconia he obtained records that important
info of a private and doing nature was not removed Mr Chris King put
all of it including my SS number on his web site for the last three
years breking fed law they both know better.
6. I would ask the court for a gag order

With respect

Gregory W Floyd
